Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Healey Creek Flood Mitigation Project in the Water Resources Development Act.

- The project sponsor for this project is the City of Brunswick and the project is located in Brunswick, Medina County, Ohio.
- The project is located in the 16th Congressional District and 7th Congressional District.
- The purpose of the project is to reduce the severity of frequent flood events along Healey Creek.
- The project is an appropriate use of taxpayer dollars and is anticipated to have the benefits of reducing stream bank erosion and bank erosion threatening road infrastructure and basement flooding due to sewer capacity and high tailwater issues.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Anthony Gonzalez', with a long horizontal line extending to the right.
